INSTRUCTORS

Design: Gina Jogan

Gina started her career when she graduated from Florida State University with a B.S. in Elementary Education and Mathematics. She has long been an instructor for NGC Symposia, Design and Allied topics.

Gina has long service to the Deep South Regional activities. She has been an administrator and instructor of Floral Design at all levels of the NGC structure.

While Gina has been busy with Flower School responsibilities, she has broadened her interests through travel, needlework and quilting. She was married to Stephen for 46 years and is the proud grandmother of five grandchildren and two great grandchildren.

This is her third trip to San Diego to teach design for California Garden Clubs' Flower Show Schools. We welcome Gina to our classroom to broaden our views of Floral Design through the mediums of Floral Table Designs.
